

Stockton Stop Smoking Service

COVID-19 Virus Notice

In response to Public Health England guidance for limiting face to face interaction the Stop Smoking Service are replacing all face to face appointments with telephone appointments. This arrangement will remain in place until this guidance changes.

The Stop Smoking Service remains committed to providing help and support with your stop smoking treatment and will continue to do so. Please call 01642 383819 or 01642 383818 Monday to Friday between 9:00 a.m. and 5:00 p.m. for further information, including information on how to get your prescriptions.

Thank you for your co-operation in helping us all to stay safe.
